General

Banstead, Banstead. In answer to a query, the current recorded fleet is D 72 HRU, E 6 BAN (ex S612 KUT), N 30 BAN, R 2 BAN, T 50 BAN, W 7 BAN, Y 6 BAN, MY 02 BAN (ex LA 02 RZG), MY 52 BAN, NE 03 BAN (ex YN 03 AXJ), GO 04 BAN, CH 05 BAN, OO 06 BAN, AH 07 BAN, BC 07 BAN (ex FN 07 BYY), MH 08 BAN, DH 09 BAN and MH 10 BAN.

Countryliner, Guildford. One of the Sussex based vehicles caught fire and was completely destroyed on 7/7/10. Identity is not yet confirmed, but it is thought to be R101 NTA.

Cruisers, Redhill. A 53-plate MB 814 Pn advertised for disposal 7/10 (presumably 36 (SF 53 KUP)). (x) BV 55 AEK is numbered 59.

Escape Tour, Godalming. An N-registered vehicle was advertised for sale 8/10, so we assume that B 10 ESC was re-registered after sale and that the plate is now on a replacement vehicle.

Roots {Orange}, Send. Y 39 HHE appeared to be out of use 7/10 and 8/10 and may be withdrawn.

Safeguard, Guildford. G514 EFX (ex 247 FCG, G514 EFX) and G520 EFX (ex 277 FCG, G520 EFX, G518 EFX) both advertised for disposal 7/10.

Buckland, West Wittering. Care should be taken to distinguish between this operator and Lewis & Stadius, Chichester, as both currently operate under the Weststrings name. Buckland's operations have reduced to just one Ford Transit whilst Robert Lewis, a former Weststrings driver, has taken over the private hire, day trip and holiday side of the business along with the Weststrings website and the Volvo listed above which has since been joined by the ex PC Coaches Scania.

Lewis & Stadius, Chichester. See notes under Buckland above.

Southdown PSV, Copthorne. The four AD Dt SLF EL are owned by Surrey County Council and are here for five years. Further unreported (or corrected) fleet numbers are:- 105 (SN 53 LWL), 132 (T132 AUA), 188 (X188 BNH), 380 (V380 SVV), 392 (V392 SVV), 554 (W554 JVV) and 569 (W569 JVV).

General

Ardingly Riding Club (XWS). MRJ 52W is generally used as a viewing platform but on special event days doubles up as a crew facility.

Darvell Bruderhof Community, Robertsbridge (XES). Bruderhof means 'Society of Brothers' in German, and this Bruderhof Community is thought to operate/have operated all of the coaches shown above though no fleet names are carried.

The Bruderhof can trace their origins back to the 16th century Hutterian Brethren, and are not dissimilar to the Amish people in America, living together, pooling their work, possessions and money, as well as their time and energy. Darvell Bruderhof Community make wooden toys and furniture from imported American maple, under the brand name Community Playthings. A sister community in Nonnington, Kent, called Beech Grove Bruderhof, make foam play-mats and blocks; in the US, the Bruderhof communities have diversified into making equipment for disabled people (the Rifton range), and other things. In addition to making their wooden products, Darvell Bruderhof also handle sales of Rifton equipment.

I provide this back-ground as I believe PUX 926X has been recorded as passing to 'Rifton Playthings, Robertsbridge' in 1986, and was later recorded as passing from the 'Hutterian Order of Brothers' to Evans, Tregaron -/99. Also the disposal of Staines, Clacton (EX)'s two Setras has been quoted as 'The Brotherhood, Nonnington'; perhaps these coaches operate out of Kent as well as East Sussex. Thanks to Paul Green for the initial research into the coaches here.

Downs Park School, Brighton (XES). GX 58 HXB is a Lords Taverners donation and has the latter's stock number 21/2008-885.

Drusillas Park, Alfriston (XES). LWC 661C was still present 8/10; it is described as a static unit but may be like a play-bus.

Saxon Mount School, St Leonards (XES). GX 07 FKG is a Lords Taverners vehicle with serial number 26/2007-848.

Sussex Health Care, Warnham (XWS). This company runs 16 care homes based mainly in Sussex.

GENERAL

Felsted Preparatory School and Felsted School. The majority of Felsted School's vehicles are now kept at the Preparatory School, and it is no longer possible to identify whether a specific vehicle is allocated to the Preparatory School.

Fish & Chip Stall, Bicknacre. H687 BCK is now known to be based in Southminster, with the same operator as R960 VLK, and now sells at Tillingham and other locations on the Dengie Peninsula. It is not known whether this

represents a change of operator, or merely a change of operating practice by the same operator. Both vehicles will henceforth be shown as MOBILE FISH AND CHIP STALL, SOUTHMINSTER.
