N710 YKM	Fd Tt ?? M13L	Bracknell Forest Borough Council (XBE) 11/01
----------	---------------	--

General

Berkshire County Council (XBE). 1493/4/6, 5360 (E353 DAN, E 67 HRX, F 72 MJM, E354 DAN) were part of a 'mothballed fleet' requiring refurbishment before further use; despite this all except 1496, seem to have seen further use by the acquiring unitary authorities, albeit only about 3 months in the case of 5360 with the Royal Borough Windsor & Maidenhead (XBE).

Bracknell Forest Borough Council (XBE). There have been two vehicles on the council's fleet lists for which no detail whatsoever can be found: i) a Fd Tt minibus fleet number 1413 new 7/9/00 invariably quoted with the registration W593 NJH and later W593 LJH - if the date new is correct then the vehicle should have had an X-registration and one of the W-registrations was perhaps voided and replaced by the unknown X-registration; ii) a Fd Tt minibus fleet number 1431 registration given as RJ 51 UTC new 8/1/02 (same date as RJ 51 URG/W - see above). Both vehicles have now left the fleet, 1413 by9/06 and 1431 by5/07 - can anyone provide full details and the correct registrations, please ?

1418 (N710 YKM) was a VCGB donated vehicle - see -?- (school), Bracknell Forest area (XBE), its previous operator. Oxfordshire County Council (XOX). K118 BUD (ex K100 KLL) was withdrawn from service by City of Oxford (OX) in 7/05 and was converted by them before being donated to the 'Bicester Youth Bus Project', presumably in 1/06; it also seems to act as a Drug Awareness bus, perhaps as part of its 'youth bus' work, a role also performed by CBV 780S (now gone).

Royal Borough Windsor & Maidenhead (XBE). VK44 (P776 UFR) was on loan from the -?- (NHS department), pending delivery of a new bus - what is that new bus please ? VL82 (HV 04 YHA) is lettered for 'Windsor & Maidenhead Youth Service'. VM01 (R356 SDP) was latterly operated by WAMU (Windsor & Maidenhead Users' Network) as Windsor and Maidenhead Shopmobility, on behalf of RBWM Council; it has a side wheelchair lift to transport wheelchairs and scooters. It passed to People to Places, Maidenhead (XBE) on retendering of the Shopmobility service.

Sandhurst School (XBE). LS 52 DXX is allocated fleet number 1405 in the Bracknell Forest Council fleet.

-?- (school), Bracknell Forest area (XBE). N710 YKM was a Variety Club of Great Britain donated vehicle and was lettered accordingly: ownership appears to have transferred to Bracknell Forest Borough Council (XBE) in 11/01.

Slough Borough Council (XBE). J916 WVC was donated to Slough Borough Council by FirstGroup, and was handed over on 6/10/08. It has been converted to a Youth Activities Bus with IT equipment, sound systems, etc.

West Berkshire Council (XBE). MX 04 WXV has a specialised body whereby it can host exhibitions or work stations for IT involvement, etc; when its use in these roles is over, it can easily be converted into a mobile library. It was launched in 5/04 as CLive (Community Learning and Information Vehicle), though latterly it has become the Learning & Road Safety vehicle. R116 CVR & X381 THK were acquired to launch the Council's first Call-A-Bus service in 11/00 operated under contract by Mark Rye t/a Four Valleys Taxibus (BE); the two vehicles were operated by Mark Rye until c7/06 and c11/06. DF 03 AUE & DU 54 OFM were converted to PSV specification by UVS, and certified in c2/04 & c5/06 respectively; the former was used to launch the Council's second Call-A-Bus service between Hungerford & Lambourn in 3/04 operated by Colin Mills, Kingsclere (HA), later Newbury (BE). MX 05 ETZ was the designated bus for this second service and arrived in 3/05 but had a very chequered history, returning to Evobus (Q) on numerous occasions. Evobus provided KF 52 TZE (MB 413CDI 16seater, probably sourced from DawsonRentals, or the likes) for a few days in 6/05, and BU 06 CUG, like MX 05 ETZ, from c6/06 to c4/07. The Council also hired KF 02 ZWT from DawsonRentals from 6/06 to 10/06 but in addition to being used by Colin Mills, it was loaned to Mark Rye from 7/06 to 10/06; Mark Rye then had DU 54 OFM from 10/06 to 11/07. LX 59 BCE, a Renault Master, was demonstrated to the Council, 26-30/7/10.

Wokingham Borough Council (XBE). RX 05 ODW and FN 07 DZP are on a rolling monthly hire from BTC Vehicle Rentals, Wokingham, from an unknown date.
